

## Tax Credit Scholarship Program

Indiana's Tax Credit Scholarship program was created in 2008 to provide financial assistance for K-12 private school tuition. The program helps thousands of families across the state afford private school through generous donations from individuals and corporations. The program is called "Tax Credit" Scholarship because donors may receive a state tax credit worth 50% of their donation.

To receive a Tax Credit Scholarship, a student must meet the following requirements:
